Consumer Information

- Please keep this instruction sheet for future reference, as it contains important information.
- Requires three "AA" batteries (included).
- Adult assembly is required for battery replacement.
- Tool needed for battery replacement: Phillips screwdriver (not included).

FCC Statement

United States Only

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

Note: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

Before First-Time Use

CAUTION

Please keep small parts such as plastic tabs out of children's reach. Throw the plastic tab away.

Note: A plastic tab is attached to the toy for in-store demonstration purposes. While the tab may have already been removed, check the bottom of the toy to be sure. If the plastic tab is still attached, pull and remove the tab from the toy. Throw the plastic tab away.

Care

- Wipe this toy with a clean cloth dampened with a mild soap and water solution. Do not immerse this toy.
- This toy has no consumer serviceable parts. Please do not take this toy apart.

Battery Replacement

For best performance, we recommend replacing the batteries that came with this toy with three, new "AA" (LR6) alkaline batteries.

- Locate the battery compartment on the back of the toy.
- Loosen the screw in the battery compartment door with a Phillips screwdriver. Remove the battery compartment door. Remove the batteries and throw them away.
- Insert three "AA" (LR6) **alkaline** batteries, as indicated inside the battery compartment.

Hint: We recommend using **alkaline** batteries for longer battery life.

- Replace the battery compartment door and tighten the screw with a Phillips screwdriver. Do not over-tighten.
- When sounds or lights from this toy become faint or stop, it's time for an adult to change the batteries!
- Protect the environment by not disposing of this product with household waste (2002/96/EC). Check your local authority for recycling advice and facilities (Europe only).

Battery Safety Information

Shown Actual Size

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your product. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).
- Insert batteries as indicated inside the battery compartment.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the product. Dispose of batteries safely. Do not dispose of this product in a fire. The batteries inside may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the product before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

Numbers Fun!

- Locate the power/volume switch on the side of the toy.
- Slide the switch to either on with low volume ; on with high volume ; or off .

123 NUMBERS

Touch a number to see that number of apples on the screen and hear the apples counted.

1+2 ADD

Touch a number to learn simple addition facts. $3+4=7$

+ - CALCULATOR

Use like a normal calculator. First, enter a number and then press the plus + or minus - button. Next, enter the second number and then the equals = button to see the answer! $5+3=8$

quiz QUIZ

Finish a number sequence: **3 4 5 _** What number comes next? Or, solve simple addition problems: $4+4=?$ If you get it wrong, CalcuBot gives a hint and lets you try again. Or, count the apples: How many apples are there?

game APPLE PICKING GAME

Use the arrow keys to move the "ladder" under the apples and "pick" them. Pick all 20 apples to move up to the next level. In each level you need to pick the apples faster.
